

# Biz Training Solutions

## Control of Substances Hazardous to Health

### Summary

Under the Control of Substances Hazardous to Health Regulations 2002, employers need to either prevent or reduce their workers' exposure to substances that are hazardous to their health.

Employers need to consider the different forms of hazardous substances, how they might enter the body and the effects of exposure. We will help your staff to better understand Safety Data Sheets and other labelling and packaging advice, to protect employees.

For further information, please visit: [www.biztrainingsolutions.co.uk](http://www.biztrainingsolutions.co.uk)  
email: [info@biztrainingsolutions.co.uk](mailto:info@biztrainingsolutions.co.uk)  
telephone: 01782 757001

### Lessons:

- Lesson 1: The law relating to hazardous substances
- Lesson 2: Hazardous substances
- Lesson 3: Labelling and packaging
- Lesson 4: COSHH risk assessment

### Continuing professional development (CPD):

All of our courses are certified by the CPD certification service

### We offer formal accreditation:

Open College Network West Midlands is a national award winning organisation, regulated by Ofqual and the Quality Assurance Agency for Higher Education (QAA). Additional costs will apply.
