Safeguarding Children Awareness Level 2

Summary

The importance of safeguarding children cannot be over-emphasised. All organisations with staff who have contact with families, children or carers must develop a systemic awareness of the key issues, responsibilities and boundaries and embed this understanding in their service delivery.

This course is for all staff whose work brings them directly into contact with children, families or carers, and for managers and team leaders responsible for supervising and supporting in their day-to-day work.

Lessons:

Lesson 1: Signs and symptoms of abuse

Lesson 2: The importance of responding professionally to a disclosure

Lesson 3: Awareness of family circumstances

Lesson 4: Legislative framework around safeguarding

Continuing professional development (CPD):

All of our courses are certified by the CPD certification service

We offer formal accreditation:
