Sharps Awareness

Summary

Drug users and those with medical conditions may also use sharps in their homes. In addition, sharps can be found in public areas, the risks are all around us. If you have staff visiting customers in their homes or out in public spaces, such as parks, you have a duty of care to ensure their safety.

This course is for staff who may come in to contact with sharps as part of their job role, to ensure that they are aware of the dangers and how to protect themselves and others.

Lessons:

Lesson 1: Health and safety responsibilities

Lesson 2: Sharps users, risks and safe disposal

Lesson 3: Sharps injuries

Continuing professional development (CPD):

All of our courses are certified by the CPD certification service

We offer formal accreditation:

Open College Network West Midlands is a national award winning organisation, regulated by Ofqual and the Quality Assurance Agency for Higher Education (QAA). Additional costs will apply.
